This an excellent nursery. We are really happy with how our son has developed here. He joined at age 10 months in the baby room and has thrived ever since. He is really happy and enjoys going. The staff are really caring and friendly. The facilities are good. It is always clean and well maintained. The food is excellent - well my son always seems to eat it all! They have a good range of toys and activities. The opening hours are really good at 7:30 to 6:30. I would definitely recommend this nursery to friends and family.

The school really adapted to my son's needs, we decided to take our son to this nursery when we came to England for a month and in that short amount of time, my son learned some English and still remembers the nursery rhymes he learned while he was there. I was really happy with how welcoming and helpful the staff were especially the manager and the deputy because they made it really easy for me and my wife to take our son here. Happy for my son to return here again.

My 4-year-old boy has been at Apple Day Nursery for one and half years. This is truly an excellent nursery. The environment is a very caring one. The planned structured activities are great for learning and child development. The interaction with staff is first class. Due to Apple Day, our son will be more than school ready come next September. I would thoroughly recommend the nursery to provide your child with a great start to their life.

My child started Apple Day Nursery about 3 weeks ago and has settled so quickly. The staff are so helpful and great with the children. The whole nursery is run professionally and effectively with both the children and parents needs catered for.

Our son has been there for 8 months now. Started in the baby room and is now full-time in toddler room. We see constant learning and development by him. The rooms are well equipped and maintained. The staff have been excellent and keep you well informed.

Good, modern facility. Caring staff who really make an effort compare to the other nursery that my son also attending. My son is more engaged in Apple Day Nursery, both with the carers and other toddlers.
